## EDUCATION

### Study Program
Bachelor in computer science

*09/2019 - 09/2023*                                          3.75 cgpa

*Courses*
- computer science

### DAE(diploma associate engineering )
Institution/Place of Education

*80% mark*

*Courses*
- electrical technology

## WORK EXPERIENCE

### software-developer
work web frontend and machine learning model in software house

## SKILLS

HTML   CSS   JAVASCRIPT

React   sql/nosql   python

django   fastApi   numpy

pandas   keras   matplotlib

## PERSONAL PROJECTS

iot base attendence managment and surveillance system using facial recognition (05/2023 - 09/2023)
- Tools
- python,Django,SQL and face_recognition

## CERTIFICATES

3 year diploma(electrical engineering)
*https://sharyarfolio1.vercel.app/dae*

graduated (09/2019 - 07/2023)
*https://sharyarfolio1.vercel.app/gred*

Building Electrician (07/2017 - 03/2018)
*https://sharyarfolio1.vercel.app/building*

## LANGUAGES

English
*Full Professional Proficiency*

Urdu
*Native or Bilingual Proficiency*

## INTERESTS

Research   Exploring Technologies

Learning latest technology
